**Re: Notice of *Ex Parte* Presentation in Amendment of the Commission's Rules Regarding
Dedicated Short Range Communications Services in the 5.850-5.925 GHz Band (5.9 GHz
Band), WT Docket No. 01-90 and ET Docket No. 98-95**

Dear Ms. Dortch:

Pursuant to Section 1.1206(b) of the Commission's Rules (47 C.F.R. § 1.1206(b)), notice is hereby provided in the above-referenced dockets regarding an *ex parte* presentation on June 24, 2005 by ARINC, Incorporated ("ARINC") to staff of the Wireless Telecommunications Bureau's Public Safety & Critical Infrastructure Division ("Division") regarding the above-referenced dockets. Attending on behalf of ARINC were Broady Cash, a Senior Engineer with ARINC and chairman of the DSRC Standards Working Group of the American Society for Testing Materials ("ASTM") Working Group E17.51, and Robert Kelly and Mark Johnson of Squire, Sanders & Dempsey L.L.P., counsel to ARINC. Attending on behalf of the Division were Michael Wilhelm, Chief of the Division, Herb Zeiler, Deputy Chief (Technical), and Division staff members Tim Maguire and Jeannie Benfaida.

The purpose of the meeting was to discuss developments regarding the proposed changes to the adopted DSRC licensing and service rules presented in ARINC's Petition for Reconsideration and/or Clarification, filed in the above-referenced dockets on September 2, 2004. Specifically, the attendees discussed the possible functions of a third party "frequency screener" during the site registration process. Other issues discussed included the status of various standards groups' efforts relevant to DSRC equipment development.
